Manager Cross of the Inter-Island Telegraph Co, received a message this morning stating that the Mahukona station is in good working operation. This means that the te'egraph line is now complete through to Hawaii.

The message stated that the oper ators at Mahukona had received all the messages sent to them but owing to the grounding of some of the wires of the electrical instruments had been unable to send.

This morning the trouble was finally ocated and messages will now be reselved to and from all points on the sland of Hawaii.
